PREVENTATIVE MAINTENANCE AGREEMENT**

B. K. Mechanical Services, Inc. agrees to perform two (2) preventative maintenance visits.
One (1) cooling system check - One (1) heating system check.

Our primary goal is to:

- 1) Keep equipment operating at top efficiency
- 2) Extend the life of your equipment
- 3) Avoid Breakdowns
- 4) Promote a safe environment

Benefits of program:

- 1) NO OVERTIME charged for emergency service
- 2) All repairs/parts warranted for one (1) year
- 3) Maintenance agreement customers receive Priority service
- 4) Agreement is fully transferable to your new home (in service area, should you move) or transferable to buyer of your present residence.
- 5) All parts/repairs offered at preferred customer value rate pricing
- 6) Inspection reports of equipment condition kept on file at our office. Copies available to customer if requested.
